

Master Gardener Program

For Certified or Experienced Master Gardeners

Think about your experiences with the Master Gardener program. For each topic below, please place an “X” in any boxes that reflect your experiences.

	<i>I have done this myself.</i>	<i>I have helped others do this.</i>	<i>If yes, how many other people have you helped?</i>
1. Identify pests and their damage	<input type="checkbox"/>	<input type="checkbox"/>	
2. Control pests through IPM.	<input type="checkbox"/>	<input type="checkbox"/>	
3. Make plant selection decisions in the landscape.	<input type="checkbox"/>	<input type="checkbox"/>	
4. Identify symptoms of diseases.	<input type="checkbox"/>	<input type="checkbox"/>	
5. Improve soil through results of soil test.	<input type="checkbox"/>	<input type="checkbox"/>	
6. Make turf selection or management decisions.	<input type="checkbox"/>	<input type="checkbox"/>	

Thank You!

Programs in agriculture and natural resources, 4-H youth development, family and consumer sciences, and resource development. University of Tennessee Institute of Agriculture, U.S. Department of Agriculture and county governments cooperating. UT Extension provides equal opportunities in programs and employment.
