

Position Title X2532: **Extension Agent & County Director, Agriculture**

County: **Bedford County**

Clientele Served: **Adult**

Headquarters: **Shelbyville, TN**

Screening of applicants' credentials will begin immediately and will continue until the position is filled.

Target Start Date: 07/01/2025

Position Summary

UT Extension delivers programs to youth and adults in all 95 counties of Tennessee. As a member of our team you would join over 100 subject matter specialists and more than 300 agents to address priority issues through Agriculture and Natural Resources, Family and Consumer Sciences, 4-H or Resource Development programs.

Job Description

Tennessee Extension agents are teachers who work in rural, suburban and urban areas with people from all social, economic, racial and ethnic backgrounds. Our classrooms are everywhere...anywhere a person can learn. The classroom may be the county Extension office, an auditorium, an agribusiness firm, a farm, a suburban garden plot or the family home. Agents also use newspapers, radio, television, web sites, and direct mail (or email) as techniques to reach Tennesseans with the latest research information to improve their lives.

Responsibilities

- Responsible for management and operations of the county staff, programs, facilities and equipment.
- Keep abreast of the latest information in agriculture, marketing and community economic development to meet the educational needs of the county.
- Responsible for the County Equal Employment Opportunity Program.
- Serve as liaison between the Regional Director, county officials and County Agricultural Extension Committee.
- Be familiar with the county, its situation and its people.
- Maintain good public relations with staff and audience.
- Provide leadership for a program of activities that meets the needs of all eligible clientele regardless of race, color, national origin, sex, age, disability, religion or veteran status.
- Assume other duties as assigned

Qualifications

Required Qualifications (External Applicants)

- Bachelor's Degree Agriculture, Natural Resources, or a closely related is required.
- Master's Degree in Agriculture or a field related is required. Applicants applying prior to position start date are welcome to apply.
- Applicants graduating prior to position start date are welcome to apply. A complete application package will include a 1) letter of interest, 2) a resume or curriculum vitae, 3) and official or unofficial transcripts showing degree(s) conferred.
